Please have your students label their instrument cases, mouthpieces, and mallets/sticks. I recommend masking tape on cases and electrical tape for mouthpieces, mallets, and sticks.

All woodwinds must have a minimum of **four** reeds by August 30th.

- Vandoren Strength 3 reeds. Available on Amazon. Cheaper in bulk.

All brass must own a bottle of valve oil or slide oil (trombone) by August 30th.

- Blue juice (valve oil)
- Yamaha trombone slide lubricant

All percussion must have a mallet bag with appropriate sticks by August 30th.

Special note. Percussionists do not need to rent their instruments anymore. The following will count as their required instrument and the school will provide the rest.

- Vic Firth standard stick bag
- Vic Firth SD1 snare sticks
- Two pairs of Mike Balter BB2 mallets
- Vic Firth T3 Staccato timpani mallets
- ❖ Not mandatory but recommended: Real Feel drum pad
