I am so excited to start up our annual cookie dough fundraiser!

Here are all the details:

### **Students Should:**

- Use the brochure to sell cookie dough to willing customers in their neighborhood, work, or church group.
- Collect the money for each box of cookie dough, and store it in an envelope. Checks can be made out to CJHS Band. Cash is also accepted as well as online sales.
- Write all the names down on the order taker so that you can distribute it when it comes in.
- Money will be collected on **Thursday, October 15<sup>th</sup>** and the orders will be placed.
- Two to three weeks later we will get the cookie dough in to distribute. **Roughly late October.**

### **Perks:**

- 8th grade only: For every box sold your child will get \$3 toward their end of year trip.
- All students:
  - For every 10 boxes sold you will receive a free box of cookie dough. These can be useful in adding money toward your trip, or you can keep and eat them.
  - If you sell 10 boxes your name will be put into a drawing for a \$200 shopping spree with Ms. Menendez. for every 5 that you sell after that your name will get put in twice.
  - Top three names drawn get a fast food lunch of their choice brought to them!

Our band program spends a lot of money in order to provide an incredible experience for our students. Thank you so much for participating!

If you have any questions please feel free to email me.

Sincerely,

Ms. Menendez
